

ACA

ICAEW is a world leading professional membership organization that promotes, develops and supports over 144,000 chartered accountants worldwide. The ICAEW Chartered Accountant Qualification, the ACA, is one of the most advanced learning and professional development programmes available. With ACA, you will gain the relevant knowledge, skills and experience to prepare you for a highly rewarding career in accountancy, finance and business.

Learning Outcomes

Each component is designed to complement each other, which means that you can put theory into practice and can understand and apply what you learn to your day-to-day work. The components are:

The ACA qualification will improve your ability and performance in seven key areas:

- Adding value
- Communication
- Consideration
- Decision-making
- Problem-solving
- Teamwork
- Technical competence

You will complete 450 days of practical work experience. The knowledge, skills and experience you will gain as part of the training agreement are invaluable.

Rushmore Business School is working in close collaboration with ICAEW authorized training employers in Mauritius to support students' applications for the 450 days of practical requirement..
